Achievement Tests for Students in Grades 3 through 8

2015-2016 School Year

Students in grades 3 through 8 will take the Comprehensive Testing Program (CTP) this spring as an achievement test with a reasoning component. The Comprehensive Testing Program is a rigorous assessment of student achievement based on essential skills and specific learning domains. Because of the focus that schools, colleges, and businesses put on technology, Harding has chosen to use the computer-based version of the assessment.

Testing Dates by Grade Level:

The dates for the CTP are listed below by grade level.

<i>Grade Level</i>	<i>Testing Dates</i>
Grades 3 and 4	Monday, April 18 through Thursday, April 21
Grades 5 and 6	Monday, April 25 through Thursday, April 28
Grade 7	Tuesday, April 5 and Thursday, April 7
Grade 8	Tuesday, March 29 and Thursday, March 31

Things for Parents to Remember:

Please make sure your child is at school on his or her testing dates. Make-up testing will not be offered. When scheduling vacations or doctor appointments, please keep CTP testing dates in mind.

Additional Questions:

If you have any additional questions, you can email the school counselor listed below.

Lower School Counselor: Mr. Len Shelby
